Inside This Issue

PG. 2

The Mashie Course has finally been reconstructed; here is a sneak peek into the new course.

PG. 3

The security and maintenance team have undergone a firefighting training course.

PG. 3

The maintenance team is currently busy with maintenance at the clubhouse

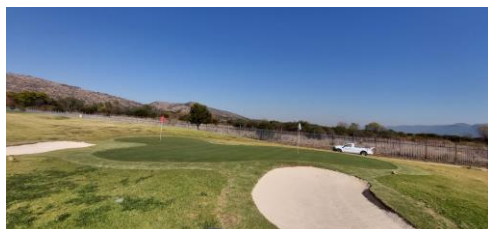

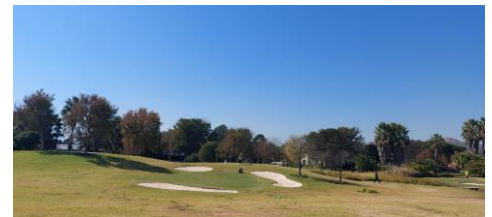

The Mashie Course ...

Then and now...

The HOA together with the Ingadi Maintenance team undertook a project of reconstructing the Island's Mashie course in August 2021 and we are proud to announce that the reconstruction was fully completed in June 2022.

Members are now welcome to put on their golf hats and enjoy the new course.

The Mashie Course Now...

BEFORE RECONSTRUCTION

Fire Fighting Training

With the winter season upon us; gas heaters, fireplaces and other such warming and or heating appliances are being utilized to keep us warm however disasters are always unforeseen and fires can break out at any time. The average time for fire brigades to respond to a callout is approximately an hour which could easily be disastrous should a house catch fire. Therefore, the HOA, has purchased a fire trailer to ensure we have the necessary equipment to assist should there be a fire breakout in the estate. In addition, our security and maintenance team have undergone and will continuously undergo a firefighting training session with the fire trailer to ensure that we are always ready to deal with any such disasters.

We advise all members with fire extinguishers to ensure that they are serviced and fully operational. Always be vigilant and safe when using hazardous essentials.

Maintenance of the Clubhouse

The maintenance team is currently busy with maintenance at the clubhouse and as such it is unavailable for bookings and or functions as of the 20th of June 2022 up until the 01st of July 2022. The clubhouse will reopen for bookings and functions as of the 02nd of July 2022. To book the clubhouse, members can send an email to admin@islandestate.co.za
